BY HOWARD F. SIMMONS Hancock County Agent

Some experiment stations have wear is not practical under farm conditions

this system is for experts only Some advocate wearing at five weeks Mrs George Stelz and daughter, This can be done, but it requires sease control measures

Better stick to the eight week method because really there is no substitute for the broad sea. Help the Mr and Mrs Paul Haggerty of sow along during the wearing period New Orleans enjoyed the week end in by giving her a balanced ration and

Accurate breeding records are extremely important to dairymen. They may hold the key to so-called infertility problems.

These records should be kept of each individual cow on the farm A good set of breeding records will show preeding and calving dates, heat periods, abortions difficult calvings, retained afterbirth, abnormal discharge and the incidence of any disease at

Here is an easy way to record breeding information. Keep a big chart handy on the wall of the barn List wach cow on it and have a pencil in easy reach so that when something happens, you can jot it down These records will help you in culling out cows that eat costly feed all

year but do not drop a call every year They will also provide valuable information for the veterinarian who is called to the farm to diagnose and treat reproductive alment

Are those mound building imported fire ants fouling up your pasture with their mounds. Are they in your home garden or truck (rop patch). You can do something about it it they are Don't just look at the mounds and wish the ants would to away. Chances are they won't Go see your local county agent. He

has a leaflet giving specific control recommendations for these ants. It is Extension Publication 249, entitled "Imported Ant Control"

BEWARE OF ILLEGAL SWEETPOTATO AND TOMATO PLANTS

Sweetpotato plants not fied with official sweetpotato certificate tape which gives the year of production and the grower's number are bing sold illegally, advises R. P. Colmer, Chief Inspector of the State Plant Board Plants sold this year must be tied

with 1954 tape which is printed in blue ink. Thousands of illegal sweet potato plants from Texas in the vicimity of Kosciusko which were infect ed with black rot, a very serious disease of sweetpotatoes, and, thousands of tomato plants grown in Florida and sold by an Alabama concern, in Northeast Mississippi, were infested with rootknot nematodes, which attacks many garden crops and trees, have been intercepted by plant board inspectors

Additional information in regard to names of plant growers or Plant Board regulators can be secured by writing the State Plant Board at State College.

When you buy a new car

from your Ford Dealer, you receive

a written warranty and service policy which . . .

1. Guarantees free replacement of any parts that might prove defective during the first 1000 miles or 90 days of use, whichever

Your new car

warranty

to YOU

means a lot

and to your

**Ford** 

**Dealer** 

2. Gives you free adjustment and inspection services to help get your new car off to the best possible start during that all-important break-in period.

Your new ear warranty is important to you because it is your assurance that your Ford Dealer is standing behind your new Ford 100',, and is anxious to help you get the splendid service your Ford is built to give. Your new car warranty is important to your

Ford Dealer, too. He's an authorized Ford Dealer and he's in business to stay. His interest in you goes away beyond just making a sale. In fact, his reputation as a said businessman of the community rides on every Ford he sells and services. It stands to reason that he will do everything possible to see that you get a square deal all around.

It pays you now and in the future to do business with your Ford Dealer. When you buy a new Ford from him you know it is factory new! Your Ford Dealer will be constantly alert to see that your Ford is in top operating condition . . . to give you the quality of service that has made the name "Ford" known and respected all over the world.

As an authorized Ford Dealer, his job goes much further than just handing over the car keys to you. That's when his job really begins! In '+1....our new car warranty means a lot to you and to your

Annual Report Just Released By M. P. & L. Co.

Mississippi Power & Light Company's 1953 annual report, emphasizing the company's service through 30 years of progress and highlighting the past 12 months activities, has just been published for the company's customers and stockholders, Rev I Brown, president, announced this week Most significant event of 1953 revealed by this report was completion of Delta Steam Electric Station near Cleveland. The new plant, which is the culmination of seven years of planning, research and construction, will assure adequate electric power for economic

development of the Delta, Western

Mississippi and the Middle South

The new generating station, which

accounted for most of the com-

pany's heavy construction expen-

diture in 1953, increases the company's generating capacity to 550;-000 horsepower Another milestone in the compathy's thirty year history was marked with the connection of the company's 150,000th customer, the report pointed out. By the and of 1953, 152,913 customers in company's 15-county, 22,000 square mile operating area were being supplied electric power, an

impresse of 6293 customers over previous year The state's largest tax paying industry, Mississippi Power & Light Company paid \$5,358,153 in the in 1953, amounting to 22 4c of every revenue dollar Agricultural and Industrial De-

velopment, one of the company's the comprograms, continued to receive primary emphasis in 1953. During the year 1, new industries were located or began operation on the company's service area and three industries underwent major repairs on These new additions to Mississippi's expanding industrial program will employ 2600 (process) one in addition 264 projects in the agricultural development program were completed in 1953

FIFTY YEARS OF GAINS CITED Outdoor recreation set a new record IN FARM LIFE IN MISSISSIPPI

Ládner Is Rural Telephone Day Speaker In Tippah County

Above, E. L. Gaillard, member Tippah County Board of Supervisors, puts in first long distance call, watched by, left to right, L. C. Parker, District Manager for Southern Bell; I. L. Deen, Vocational Ag. Teacher, Pine Grove Consolidated High School; Hon. Heber Ladner, Secty. of State, Public Service Commissioner Howard H. Little; and J. M. Phillips, Jackson State Manager for the Telephone Company.

RIPLEY -- Secretary of State .-Heber Ladner was the principal speaker and many other prominent people took part in ceremonies on Thursday, dedicating a new rural telephone project in the nearby Dumas Community.

Several hundred people were on hand for the occasion which marked the beginning of service on another important protect to a lines Fusional Commercial Op raanother important project in a tions Engineer for Southern Bell series of approximately 100 such in Atlanta. undertakings which the Southern Bell Telephone and Telegraph nished by the Ripley High School Company expects to complete this Band.

year in Mississippi. In his address delivered at the Dumas High School, Secretary of State Ladner pointed with pride to the great progress made by Mississippi Industry and agriculture in recent years.

Representing Southern Bell on the program were the company's Mississippi Manager, J. M. Phillips, of Jackson and L. C. Parker, of Tupelo, District Manager for the telephone commany.

Mr. Parker stated that the new completed feelibles are also before the company of the telephone company.

portation and communication facilities, both essential to progress
along the other lines. We are
doing great things in our State
and we ought 'o let the rest of
the country know more about it."

Parker, are south and southeast
of Ripley to which ex hange all
of the new telephones are connected.

The project required nearly 600
poles and approximately 175 miles

Teacher at the Pine Grove by \$45,000. Consolidated High School, acted as Master of Ceremonies. The instated that the Dumas job is part vocation was by the Rev. Doc of an overall expansion job on Jeter, Pastor of the Dumas Meth-walch the company has been workodist Church and the Rev. Joe ing at record breaking speed for Crawford, local Baptist minister, about 8 years. The rural program pronounced the benediction. Pro-fessor W. E. Eaton, Superinten-dent of the Dumas High School gave the address of welcome, to which Ripley merchant Erst Long January 1, 1946 to over 42,000 replied. Others taking part in the today. program were Dr. W. H. Ander-son, of Booneville and Ripley edi-ed and broadcast later over Radio tor Wm. H. Anderson.
